On October 18, 2018 Community Ambulance Association of Ambler proudly accepted a \$1,000 donation presented by Ambler Savings Bank. CAAA has been serving the community since 1941, and relies on contributions, grants, memberships and fundraising events to provide the life-saving care provided to Ambler Borough, and the Townships of Lower Gwynedd, portions of Upper Dublin and Springfield. Contributions will be used to support operational costs including ambulances, medical supplies, monitors, training and staff. The community can support CAAA through a membership, more information can be found at www.amblerambulance.org/subscribe-2
