

ALERT: Scam Targeting Ambler Savings Bank Customers

Updated April 26, 2023

As you may know, cyber criminals are targeting consumers directly. We have become aware of scams involving fraudulent outreach to customers via text, email and phone calls that falsely appear to be initiated by Ambler Savings Bank, but instead are being sent by a malicious third party in hopes of receiving our customer's personal account information or in some cases are asking customers to withdraw money.

The bank will never call you, text you or email you to ask for personal account information or to withdraw money.

We recommend the following:

- Do not click texts asking for personal or account information.
- Do not share your online or mobile username or password via text, email or phone, as Ambler Savings Bank will never ask you for this information.
- Do not respond to requests for other personal or financial information.
- Do not respond to requests to withdraw money. Ambler Savings Bank will never ask you to do that.

Report any scams to Ambler Savings Bank by calling 215-646-8400.
