### **Ambler Savings Bank Celebrates 25 Employees with Over 10 Years of Service**

Ambler, PA – Ambler Savings Bank is proud to announce a significant milestone of its employees - the celebration of 25 dedicated individuals who have contributed a decade or more to the bank's success.

In an era where career trajectories often involve multiple job changes, Ambler Savings Bank takes immense pride in the unwavering commitment and loyalty demonstrated by these individuals.

Ranging from 10 to 43 years of service, each employee embodies the core values and work ethic that has contributed significantly to the growth and success of the bank. Their dedication, passion, and expertise have been instrumental in shaping the company culture and fostering a collaborative work environment.

Three exceptional honorees celebrated over 40 years, including Maria Palagruto, Ambler Branch Manager; Claire Wunderlich, Collections Officer; and Paula Marko, Vice President of Residential Lending.

“Over my 40 years here, my experience has been one of being encouraged to grow and take on new responsibilities, learning as I go in a way that keeps things interesting. I am grateful for the opportunities I have been given, having started as a teller, moving into the accounting department then to the lending department where I have grown to become an Assistant Vice President with my own area of focus,” reflected Claire Wunderlich, Collections Officer.
